

## **THE PLAQUE COMMITTEE**

The Plaque Committee met on November 4<sup>th</sup> and November 11<sup>th</sup>.

Members present were

Anne Abdella, Chairperson

John Chandley

Carol Cormier

Martie Abeles

The Committee's mandate was to decide on the placement of the tournament plaques, president's photos and the old signs from Holden Towers and Worcester Tennis Club.

### **Tournament Plaques**

The 6 tournament plaques should be displayed on the short wall outside Kevin's office (to the right as you enter). The plaques will fit perfectly and allow room to hang additional plaques if the club so desires.

### **President's Photos**

The photos of the presidents will be transferred to a 12" digital frame with a timer. This contemporary approach enhances the new décor and will fit perfectly in the upstairs corner near the staircase.

For balance a second digital frame will be added on the opposite side. The frame will display pictures of club activities – lessons, Kevin in his many roles, get-togethers, tournaments, socials, whatever.....the possibilities are endless.

As members congregate in the clubhouse, they will be treated to an on-going tennis slideshow. One focal point will display the hallowed wall of presidents. The second focal point will display members enjoying the love of tennis and highlights of the season.

## **Signs**

No decision was made on the signs. They are large and need a place of honor outside. With so many options (the fence, back of the clubhouse, etc.) the committee thought that it would be best to meet when the club is open, walk through the many options and make a decision in the spring.

## **Photographer Needed**

Do you know a member who has an interest in photography and would be interested in taking pictures at club activities and updating the member digital frame?

Members would be encouraged to capture everyday happenings with their cell phone and submit pictures for the digital frame to our “Official Photographer”.
